Hon. Madam,

Sub: Prohibition-Amelioration-Tapping of Coconut trees-South Kanara District-Urgent orders requested-to start more jaggery Socidies and neera parlours.

In pursuance of my prepresentation to the Chief Minister by my letter dated 24-7-53, Government passed an order dated 8-2-54 permitting to tap coconut trees for manufacturing jaggery intwo of the eighteen villages asked for me. In this connction I may bring to the notice of the Minister that ex-tappers are mainly residing in all those eighteen villages referred by me. Though my constituency consist of 76 villages, I selected those 18 villages after due enquiry and statistics. Since the introduction of prohibition policy in South Kanara district thousands of these ex-tappers families are out of employment. To make matters worse, the people all living in such villages where there is great pressure for land also. Hence they cannot take up to cultivation also. The

population in these villages are more than 1000 to 2000 persons per square miles. The average population of most these villages are 4000 persons. The population of Uppoor village alone is 5676 (vide 1951 census). The population of Tones east is 6275. I am giving these census figures only to show the abnormal rural population-and all these people are living within an area of 2 to 3 square miles So there is terrible unemployment and under employment, and this cuases terrible unrest among people. All these persons, (atleast 60% of them) were formerely seeking out their livlihood by manufacturing coconut jaggery and also tapping toddy. My only request is that "Jaggery manufacturing Societies" should be freely organised and also some "neera parlours" in the following centres.

In this connection I may also bring to the notice of the Hon. Minister that even the district prohibition Advisory Committee have unanimously recommended the organising of jaggery Societies and opening of "Neera Parlours".

Hence it is requested that the Government may be pleased to pass immediate orders permitting the ex-toddy tappers and ex-jaggery manufacturers to tap coconut trees in the following villages:-

Names of Centres for opening Neera Parlours:-

If the Government were to permit these ex-tappers to tap coconut trees and manufacture jaggery and run 'Neera' parlours, I am sure, that illicit distillation and smuggling of 'Goa arrack' will be minimised and those benefited by this ameliorative measures will be Governments' supporters for prohibition and that prohibition policy will be a success.

I hereby further assure the Government that I shall render all the necessary help to see that these amenities are not abused by anybody. I once again request you, Mavam, ~~Sir~~, that orders on this letter may urgently be passed as no further enquiry is necessary in view of the exhaustive enquiry made on my letter dated 24-7-53 ~~kx~~ addressed to the

Please take necessary action -

To

Minister for Prohibition,
Government of Madras, MADRAS.

Hon'ble Minister,

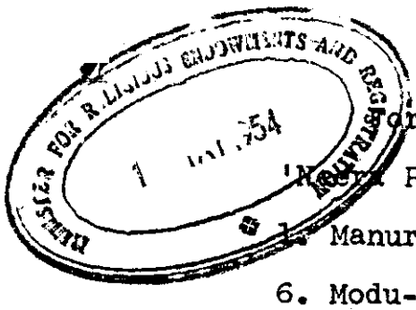
Sub: Request - Expediting the opening of "Neera Parlours" and starting coconut Jaggery Societies - Brahmawar Constituency South Kanara District.

68829

Ever since the introduction of prohibition in South Kanara thousands of tappers are thrown out of employment and the Government have done nothing to rehabilitate them inspite of repeated representations, requests and submissions. As a matter of fact I myself spoke about this in July 1952 on the floor of the Assembly. Thereafter, ~~what~~ I wrote several letters to the Government to open up more coconut jaggery societies and also "Neera Parlours", but no action was taken. Again I submitted a memorandum to the Chief Minister of the State on 24-7-53 reiterating the necessity of opening more Neera parlours. Again I submitted another letter to the Hon. Srimathi Jothi Venkatachalam, Minister for Prohibition in March, 1954. But to my ~~letter~~ utter surprise Government has not taken any action. From this, it seems, that th Ministers and the executive have not fully understood the gravity of the situation. As I had already stated in my earlier letter and memorandums, there is lot of unrest among these ex-tappers. Some political parties are exploiting this situation even in this district. Of the many remedies available to rehabitate these ex-tappers, opening up of coconut jaggery societies and Neera Parlours may be taken up immediately. Sufficient enquiries had been already held on then requests or suggestions of mine on earlier occasions.

P.T.O.

15



For these reasons I request the Hon. Minister to open 'Kaapi Parlours' immediately in the following centres:- 1. Manur, 2. Sastan. 3. Barkur. 4. Varamballi, 5. Uppoor, 6. Modu-tonse (Kallianpur) of Udipi taluk, South Kanara Dt.

Coconut Jaggery Societies in the following Centres:- 1. Hanehalle, 2. Kachoor and Hosal, 3. Handadi, 4. Baikadi and Haradi, 5. Airody and Gundmi, 6. Kotathathu, 7. Uppoor of Udipi taluk, South Kanara.

If early steps are taken by the Government, unemployment and under employment will be solved to a great extent. Hence I request the Government to act as expeditiously as possible.

1. Recently the Palm Jaggary Manufacturers Co-operative Society, Udyavar has opened a Jaggary Co-operative Society in Udyavar Village. So far nearly 40 people have obtained the licences to tap coconut trees and some have applied for the licences.

2. Udyavar Village is one of the biggest villages in Udipi Taluk consisting nearly a population of 12,000 people. Most of them are poor coolies who require "Neera" for their daily use. "Neera" is a tonic of poor people and a sort of nourishing food.

ASSISTANT SECRETARY TO GOVERNMENT 23 JUL 1954 HOME DEPARTMENT

Dear Sir,

Sub: Expediting the opening of Neera Parlors and Starting Cocoanut Jaggery Societies - Brahmawar Constituency -South Kanara Dt.

100093 I am writing this letter only to draw your kind attention to the several Memorandums submitted by me, viz. (1) Memorandum to the Chief Minister of Madras dated 24-7-53 Memorandum to Hon.Srimathi Jyothi Venkatachalam, the Minister for Prohibition, in March 1954 and finally a Memorandum to Yourself on 10-5-54, but to my utter surprise Government has not taken any action. On the contrary I found that the Government had issued orders permitting opening of Neera Parlours and starting Cocoanut Jaggery Societies in Coondapoor Constituency. Please note, I am not finding fault with your department for having granted the permission in other Constituencies. But I only say that in Brahmawar Constituency, which consists of ex-toddy tappers, this long delay in starting Neera Parlours and permitting Cocoanut

Jaggery Societies, has caused great hardship to those people; and hence there is a lot of unrest among the ex-tappers. In this connection, I may also bring to Your kind notice, that sufficient enquiries had been already held about the necessity of opening the Neera Parlours and Cocoanut Jaggery Societies. Further, both the Advisory (Prohibition) Committee of South Kanara and Taluk Advisory (Prohibition) Committee of Udipi Taluk, have unanimously recommended the Neera Parlours and starting Cocoanut Jaggery Societies in the following villages and Centres:

Hence it is requested that the Government may be pleased to pass immediate orders permitting the ex-toddy tappers and ex-jaggery manufacturers to tap cocoanut trees in the following places:

Viz.:(1)Kuchoor, (2)Hosala, (3)Hanehalli, (4)Kumragodu, (4)Handadi, (5)Varamballi, (6)Baikadi, (7)Haradi, (8)Gundmi, (9)Pandeshwar, (10)Parampalli, (11)Airody, (12)Balkudru, (13)Kodi, (14)Kotathattu, (15)Manur, (16)Giliyar, (17)Chitrapady, (18)Uppoor of Udipi Taluk.

Names of Centres for opening Neera Parlors:

(1)Barkur, (2)Manur, on Sea-shore, (3)Kodi, (4)Brahmawar, (5)Tonse East and Tonse West, (6)Saligrama, (7)Sastan.

I once again re-iterate that if these ex-tappers

Goa

are to be permitted to tap coconut trees and run Neera Parlours it will solve both unemployment and under employment of these poor people, [illegible]st of these ex-tappers are living on the fore-shores of Arabian Sea. There is dearth of land for cultivation also. And hence un-employment and under employment is rampant. This ameliorative measure will certainly help in stamping out illicit distillation and smuggling of Goa Arrack by racketers.

For all these reasons I once again request you Sir, that orders on this letter may urgently be passed and justice may be done to the people of my Constituency.

Yours faithfully,

N.B :- Just now I learn that the Govt has issued orders permitting Coconut trees tapping from Marvanthe to Tekkate in Coonapoor Taluk. All the villages referred above by me are adjoining villages to Tekkatte and they are coastal villages. Hence the Hon. Minister may be pleased to extend that permission to the above villages & helps their residents.

SECOND ASSISTANT SECRETARY 25 JUL 1954 DEPARTMENT OF INDUSTRIES, LABOUR AND CO-OPERATION

MINISTER FOR HEALTH 21 JUL 1954 GOVERNMENT OF MADRAS

Dear Sir,

Sub: Request on behalf of ex-toddy tappers, South Kanara District, to tap Cocoanut trees for manufacturing jaggeries Co-operative Societies.

After the introduction of prohibition policy in the District of South Kanara thousands of ex-toddy tappers have been thrown out of employment and in spite of the ameliorative policy persued by the Government most of the ex-toddy tappers are either un-employed or under employed and have been reduced to utter poverty. Of Course in some of the villages, the co-operative department have started Jaggery manufacturing Societies or opened Neera Parlours and found the same to be very very successful. But the same has not been extended to several other villages in the District in spite of repeated representations made by me and the unanimous resolutions passed by the District Advisory (Prohibition) Committee and the Taluk Advisory (Prohibition) Committee of Udipi Taluk. These Committees have passed resolutions -

more than one occasion recommending to the Government to permit the ex-toddy tappers of the following and other villages to tap cocoanut trees for manufacturing jaggery and opening the Neera Parlours. But unfortunately I find that the Government has not taken any action on these matters either on my representations or on the resolutions passed by the Prohibition Advisory Committees. Hence, I request you, Sir, on behalf of the ex-toddy tappers of the following villages that you may be pleased to order immediately the extension of the necessary permission to start Co-operative Societies for the purpose of tapping cocoanut trees to manufacturing jaggery and start Neera Parlours.

Names of the villages:

(1)Kuchoor, (2)Hosala, (3)Hanehalli, (4)Kumragodu, (5)Handadi, (6)Varamballi, (7)Baikadi, (8)Haradi, (9)Gundmi, (10)Pandeshwar, (11)Parampalli, (12)Airody, (13)Balkudru, (14)Kodi, (15)Kotathattu, (16)Manur, (17)Giliyar, (18)Chitrapady, (19)Uppoor of Udipi Taluk.

Names of centres for opening Neera Parlours:

(1)Barkur, (2)Manur, on Sea-Shore, (3)Kodi, (4)Brahmawar, (5)Tonse East and Tonse West, (6)Saligrama, (7)Sastan.

These villages are thickly populated areas and there is not even enough land for people to cultivate and hence

376

un-employment and under employment are rampant, especially among ex-toddy tappers. Every day whenever I go about my Constituency, these ex-tappers are approaching me and are requesting me to obtain the necessary permission and licence from the Government to tap cocoanut trees for the purpose of manufacturing jaggery. So I request you, Sir, to order the Deputy Registrar of Co-operative Societies, South Kanara District to organise Cocoanut Jaggery manufacturing Societies and start Neera Parlours at a very early date. This month and the coming months being the "lean" months in South Kanara District, as you know, poor people are hard hit on account of unemployment. Hence starting of these Societies immediately will certainly be acknowledged by the people as a boon. On my part, Sir, I am ready to help at any time in organisation of cocoanut jaggery Societies or in any other ameliorative works to be started by Your Co-operative Department for resolving the cronic unemployment among the ex-toddy tappers.

I once again request you, Sir, to pass immediate orders on this letter of mine without much of delay so that the grievences of thousands of families of ex-toddy tappers are redressed at an early date.

Yours faithfully,

Ref: Government Memorandum No.68840 Pro-54-2 dated 10-5-54.

86138

In their petition dated 10-5-1954, a copy of which was forwarded to me with the Government memorandum cited, the public of Udayavar have requested that a Neera Parlour may be opened at Udayavar Village. The Deputy Registrar, Mangalore to whom the matter was referred, has reported that a Neera Parlour, if opened at Udayavar, would be patronised by the public and would also provide employment to a few ex-tappers. He has therefore recommended the opening of a Neera Parlour at Udayavar. The Udayavar Jaggery Manufacturing Cooperative Society is also willing to run the neera parlour, at Udayavar. I therefore request that Government may be pleased to permit the Udayavar Jaggery Manufacturing Cooperative Society to run a Neera Parlour at Udayavar, to exempt the Udayavar Jaggery Manufacturing Cooperative Society from the provisions of rules 6 and 8 of the Madras Sweet Toddy Rules and to permit the sale of neera from 7 A.M. to 11.30 A.M. and from 2 P.M. to 7 P.M.

2. As regards the extension of the concession of tapping of cocoanut trees for jaggery manufacture to the Kuthpady village, the Deputy Registrar, Mangalore has stated that the District Prohibition Officer, Mangalore has been requested to offer his opinion and has promised to submit a further report after getting the opinion of the District Prohibition Officer. I shall submit a further report to Government, soon after the report from the Deputy Registrar Mangalore is received.

DEPARTMENT OF INDUSTRIES, LABOUR AND CO-OPERATION

Sir,

Ref:- R.C. 4103 - 53 dated 27-3-1953 of the Deputy Registrar of co-operative Societies, S.Kanara, Mangalore.

We beg to represent as follows:-

2. We hear that the Government has been pleased to grant permission to open 'Neera Parlours' in our District and that accordingly a centre has already been opened at Kaup. As most of us reside beyond a radius of 10 miles from Kaup, we find it impossible to go over to Kaup to have a sweet drink.

3. Hence, we beg to request that necessary steps may kindly be taken to open a "NEERA PARLOUR" at Padubidri, a progressive business centre convenient to the residents of the villages named above.

4. Further, the 'Jaggery Society Yermal' has a good number of expert tappers and the services of these people may be secured for the supply of 'Neera'.

5. In conclusion we earnestly pray that you may be pleased to take necessary steps for getting a "NEERA PARLOUR" opened at Padubidri.

Thanking you in anticipation,

We beg to remain,

Sir,

The concession to tap cocoanut trees for sweet toddy for manufacture of jaggery has been allowed at present in 19 centres of Udipi Taluk. Sri S.S.Kolkebail and Sri T.A.Pai, M.L.As. have represented in their petitions communicated to the Board in the Government Memoranda and Endorsement cited that similar concession may be extended to the following centres of this Taluk.

1. Kuchoor
2. Hosal
3. Hanehalli
4. Kumragod
5. Handadi
6. Varamballi
7. Baikadi

15. Kuthupadi
16. Balkudur
17. Kodi
18. Manur
19. Giliyur
20. Chittrapadi
21. A few other villages in Brahmawar Constituency

Consequent on the discussion the Commissioner of Prohibition had with the local officers during his last visit to the District, the Collector has, in consultation with the District Prohibition Officer and the Deputy Registrar of Co-operative Societies, recommended that the said concession may be extended to 15 villages mentioned in items 1 to 15. He has not taken into consideration the other villages as they have been mentioned only in the latest petition from Sri Kolkebail, which has not been communicated to him.

2. In view of the fact that the concession of tapping cocoanut trees for sweet toddy for jaggery manufacture is already in existence in 19 centres and that it is sought to be extended to more or less an equal number of centres, the Board considers it expedient and recommends that this concession may be

extended to the entire area of Udipi Taluk subject to the condition that the centres selected by the local officers for issue of licences shall be fairly free from Illicit Distillation and Illicit ~~Traffic~~ Tapping Crime and easily accessible to the Prohibition staff. The Collector and the District Prohibition Officer will be required to carefully examine the crime position in each locality before it is brought under the concession.

At present, there is no neera parlour in Udipi Taluk. The residents of Thenka, Padebetta and Nadisal and Sri T.A.Pai and Sri S.S.Kolkebail have requested permission to open neera parlours in the following places.

1. Padubidri
2. Barkur
3. Manur
4. Kodi
5. Brahmawar
6. Modu-Tonse
7. Udyavar
8. Udipi
9. Saligrama
10. Sastan.

The Registrar of Co-operative Societies has recommended the opening of parlours at Padubidri, Udyavar and Udipi. His remarks in respect of other places have not yet been received. The Collector has, in consultation with the District Prohibition Officer and the Deputy Registrar, recommended 8 places, ~~having~~ barring those in items 9 and 10 which have been included in the latest petition of Sri S.S.Kolkebail. The parlours already opened in this District, are reported to be working satisfactorily. The Commissioner discussed the question of opening those parlours with the local officers during his last visit to the District and considered that they might be opened in places recommended by those officers. The Board accordingly requests that the Government may be pleased to sanction opening of neera parlours at places referred to against items 1 to 8 subject to the conditions detailed in para 2 of G.O.Ms.182, Home, dated 25-1-54. The question of opening parlours at Saligrama and Sastan may be considered later after watching the working of the parlours in the proposed 8 centres.

In this letter dated 24.2.54 Shri S. S. Kolkebail MLA has represented that the ex-Estaspears in the following villages are also large in number suffering for want of employment

1. Kuchoor
2. Hasal
3. Hanehalli
4. Kunnagod
5. Handadi
6. Varamballi
7. Baikadi
8. Haradi

10. Airodi
11. Parampalli
12. Kottaltalen
13. Uppur &
14. Certain Coastal villages in Brahmavar Constituency

P. 1 - 2 C.F

He has requested (1) that the concession granted in G.O.(Ms) 323 Home dated 8-2-54 may also be extended to the said villages. He has also assured that he would stand guarantee for any abuse of the tapping concession by tappers; and

2. ~~Besides, he also recommends~~ (2) that Neera parlours may be opened in the following centres.

1. Barkur
2. Manur
3. Kodi
4. Brahmavar
5. Modu Tonse (Kallyanpur,.

It is also stated that the matter need not be referred to the Board and the R.C.S. and that orders may be issued straightaway by the Govt.

Request (1) above: While passing orders ~~excluding~~ extending the concession to the 14 villages of Udipi Taluk mentioned in para 1 of G.O. Ms.No.323, Home d. 8-2-54 the Govt. considered that the extension of concession to certain villages in Coondapur Taluk be deferred for a period of one year. The Board was therefore, requested to watch the working of the concession granted in para 1 of the G.O. and to report to Govt. on the feasibility of extending the concession . Sri Manjayya Shetty, M.L.A. who recommended the extension of the concession to Coodapur Taluk has again approached Govt. requesting reconsideration of the orders referred to above. The matter has been referred to the Board of Rev. (Exc.) and its remarks are awaited. In the circumstances, it is submitted that it is not desirable to grant the request of Sri Kolkebail simply because he has assured that he will be responsible for any misuse of the concession. For orders whether the proposal of the M.L.A. may be put to the Board for its remarks.

Request (2) above:- There are already neera parlours run in Mangalore, Coondapur, Kaup and Moodbidri in South Kanara District . Those places were selected on the recommendation of the R.C.S;and the Bd. In the circumstances it is for orders whether Neera Parlours may be sanctioned in the places recommended by the members or whether the R.C.S. and the Board may be consulted.

The case may be circulated to M.(P.) for orders.

A | In how many villages in Kundapur Taluk did the M.L.A. want the Concession to be extended? In how many of them was the Concession actually extended? What is the reasons advanced for not extending the Concession to the other villages?

B | Request 2 - Has this question been considered before? If so, with what result?

A above - The M.L.A. wanted the Concession to be extended to the following 17 villages in Kundapur Taluk

1) Kakkur
2) Hanahalli
3) Kumrugod
4) Handadi
5) Varamballi
6) Baikari
7) East - Thonse
8) West - Thonse
9) Upper
10) Haradi
11) Kodi
12) Kundumi
13) Pandeshwar
14) Hariodi
15) Parampalli
16) Kottathatu
17) Mavinakuru

In G.O.(Ms.) No. 323, Home d. 8-2-54 the concession has been granted to the following 14 villages in Udipi Taluk.

(1) Udyavar	(8) Kodavoor
(2) Korangarapadi.	(9) Tenkaradiyur
(3)Badagabettu	(10) Kelarakalbettu
(4) Kadikar.	(11) Badamidiyur
(5) Kidiyur.	(12) Thonse-West.
(6) Mudirdambur	(13) Thonse-East
(7) Ambalapadi	(14) Puttur.

It is seen that only two villages, Thonse-West, and Thonse-East out of 17 villages mentioned on p.3 above have been permitted to tap cocoanut trees. The concession extended to the above 14 villages was on the insistence of the Udipi Taluk Prohibition Committee. It is also found in the Collector's report on p.15 c.f. of (S) that tapping of cocoanut trees was already allowed in 11 other villages of Udipi Taluk . So, tapping concession is already extended to 25 villages of Udipi Taluk.

B on p.3 above :- The question of opening neera parlours in the places now suggested by the M.L.A. was not considered before. In March 1953 the M.L.As. of South Kanara recommended that neera parlours may be opened in as many places as possible in the District as the Neera Parlour opened in ' Kankanady' in Mangalore Town was immensely popular. The R.C.S. and the Bd. recommended that Neera Parlours may be opened in Kaup, Coondapoor and Moodabidri centres at the first instance. Orders were issued in G.O.(Ms.) No.182, Home, d. 25-1-54 accordingly.

In the circumstances it is for orders

G.O. No. 46447 Pro

whether the representation for (1) extending the concession to 15 villages and (2) to open Neera parlours may be referred to the Bd. and the R.C.S. for very early remarks.

Addl.Deputy Secretary's query above.

In his present memorandum Sri Kolkebail M.L.A. has not put forward any new point but has added some new villages and omitted a few other villages which were referred to in his previous petition-Vide statement at flag (W) Please see also portion marked 'A' on p.3 c.f. His previous request was that tappers may be allowed to tap cocoanut trees in the villages mentioned on p.3 c.f. and a few other coastal villages in Brahmavar constituency As this covers the new villages now mentioned and as the M.L.A. wants urgent orders, it seems unnecessary to send his further petition on pp.13-15 c.f. to the Bd. of Rev. (Exc.) for remarks. The Board's report may be awaited.

A, 13 cf.

Await Bd's remarks. No need to trouble M (RBoT) at this stage. Maybe O.d. after the report of the Bd. is received.

Since area of the concession already extant in the taluk the BS. Considers it expedient and recommend that this Concession may be extended to the entire area of Udipi Taluk subject to the condition that the Centres selected by the local officers for issue of licences shall be purely based upon illicit distillation and Crime and easily

The BS's views may be accepted.

For orders

Representations of the residents of Thenka, Padebettu and Nadisal and Sri T. A. Pai and Sri S.S. Kotekar have requested permission for opening Neera parlours in the following Centres

1. Padubidri.	6. ~~Padubidri~~ Tonse East and Tonse West
2. Barkur	7. Udyavar

5. Brahmavar	10. Kastan.

The R.C.S. has recommended the opening of Neera parlours at Padubidri, Udyavar and Uchi. His remarks in respect of other places have not yet been received. The Coll. has, in consultation with the D.P.O. and the Dy. Registrar, C.S. recommended 8 places barring Tonse West and Thenka and so above. He has separately discussed the question of opening these parlours and considered that they might be opened in places recommended by the local Officers.

The BS. has stated that as the Neera parlours already opened in that Dt. are reported to be

Working satisfactorily sanction may be accorded to opening of Neera Parlours in 8 places (1-8 as mentioned at M on p/10 above - Consequent to the constitution enhancement in Cr/18-2-5/13 The BS has also stated that the question of opening parlours at Saligrama and Sastan may be connected later after watching the working of the parlours in the proposed Centres

No special reasons have been given for not opening Neera parlours in the other two places. If they can be opened in the other 8 Centres, no great harm is likely to result if they are opened in these villages also - Neera Parlours maybe opened in all the 10 villages. O/
